

# Leadership Trainings

Would you like to bring leadership trainings to your campus? Dr. Velda Arnaud has mentored many successful individuals and teams; now she would like to offer her inspiring trainings to students, administrators, faculty members, and members of your community. Sessions are 1-1.5 hours in length, including Q&A.

- Leading with integrity
- Ethical leadership
- Bridging the generation gap
- Professional social networking
- Emotional intelligence
- Social intelligence
- Understanding personality types
- Your professional development  
(you may request others)

*When Velda changes a ladder into a stairway, anyone who is willing to put one foot in front of the other can reach great heights.*

*- Barbara, advisor*

*She has the unique ability to see what someone can accomplish even if that person does not see it for themselves.*

*- Jeff, student*

*She nearly had to drag me out of my comfort zone, pushing and prodding when I need it, and helping me to emerge from my chrysalis over the time we have worked together.*

*- Tracy, student*

Dr. Arnaud has been mentoring and teaching leadership for over 20 years. She has received numerous awards including the Phi Theta Kappa Marshall Leadership award, four consecutive Paragon Advisor awards, and the Boy Scouts of America Silver Beaver honor.
